

# Join our Swim Community

**Practice with heart, swim with skill, and compete with courage.**

Los Paseos Aquatic Club (LPAC) is a family-oriented summer swim team. We provide children in the Los Paseos community the opportunity to participate in competitive swimming in a fun, friendly, and supportive environment. Team members range in age from 5 to 18 years old.

Join the 2024 swim season and become a part of our Penguin Family. Swimmers will experience:

- Community and friendship
- Swimming skill development
- Summer memories to last a lifetime
