

25s to Save Lives

In support of all those in the LPAC community who have been affected by cancer, LPAC is holding its first-ever “25s to Save Lives” fundraiser for cancer research. Swimmers will be split into relay teams and take turns sprinting 25-yard laps across the pool (with plenty of rest, don’t worry!).

Pledges are collected based on the whole relay team’s tally of laps, and **100% of proceeds go to the American Cancer Society.**

1. Sign up family, friends, and neighbors. They can either pledge a flat dollar amount or an amount per lap. They can donate by cash or check, or online at www.crowdrise.com/25s-to-save-lives.

2. Come and swim...half an hour of all-out sprints in a fun, fast relay with your friends! The event will be the morning of **Friday, June 23.**

3. Collect pledges and turn in your proceeds to the folder no later than Monday, July 17.
